

Tele-Participation & Honorarium Supporting Documents

At Research Finance, we understand that each study is unique with patient enrollment. Collecting signatures for Honorarium can be difficult to meet the needs of marginalized communities.

We are working to serve you and your teams better and have created a new way that honorarium can be recorded for reimbursement purposes, specifically for patients that cannot sign off on their participation through tele-interviews.

To find out about how to follow the process, please visit: http://stmichaelshospitalresearch.ca/aiovg_videos/06-05-tele-participation-honorarium-supporting-documents/

If you have any other questions or concerns, please contact us at researchfinance@smh.ca
