

## LKSKI Bioimaging Core Facility - External Investigator Registration

- Investigators must provide documentation that they have Institutional Biosafety approval for use of any biohazardous agents that will be brought into our facility to the satisfaction of our Research Biosafety Officer (BSO- Neha Chauhan [Neha.Chauhan@unityhealth.to](mailto:Neha.Chauhan@unityhealth.to)).
- Please email completed forms and an electronic copy of your Biosafety approval to the Bioimaging Core Facility Specialist (Caterina Di Ciano-Oliveira [Caterina.DiCiano-Oliviera@unityhealth.to](mailto:Caterina.DiCiano-Oliviera@unityhealth.to)) and the BSO.
